

Westside Neighborhood Parking Management Zone Survey

(Please return this survey in the pre-addressed envelope enclosed)

Completing on-line please email to planning@kalispell.com

Prior to the adoption of the Westside Neighborhood Parking Management Zone, a survey was mailed to 279 residents within the vicinity of Flathead High School. The survey results identified a number of neighborhood concerns. We have listed the top 10 neighborhood concerns below with litter being the number one issue and renters being the tenth. Please indicate how strongly you agree or disagree with the following statements by checking the appropriate box:

In the past year in your neighborhood:

	Strongly Agree	Agree	Neutral	Disagree	Strongly Disagree
1. The amount of litter has reduced?					
2. Parking availability has improved?					
3. Smoking and tobacco use has reduced?					
4. Speeding and unsafe drivers has reduced?					
5. Vandalism and theft in the area has reduced?					
6. Noise created by cars and music has reduced?					
7. Students have become more respectful to residents?					
8. City services to the area has improved?					
9. Loitering has reduced?					
10. Rental situation has improved?
