

PUBLIC SERVICE ANNOUNCEMENT

October 2016

Kalispell City crews are preparing for fall leaf removal and are scheduled to begin on Monday, October 10th.

Residents and business owners are encouraged to rake the leaves from the boulevard onto the street approximately two feet away from the curb. Vehicles must be removed from curbsides during leaf pickup operations.

Leaf removal on Avenues occurs on Mondays, Wednesdays, and Fridays. Streets on Tuesdays and Thursdays. Once completed on removal days, crews will move to the next area. Pickup times for outlying residential areas vary and are designated by the areas with the highest volume of leaves.

This schedule is contingent on weather conditions, workload, and equipment availability. City Street personnel will make every effort to remove leaves as quickly as possible. Leaves will not be picked up outside of the Leaf Removal Season-Contact Public Works for proper leaf disposal after the Leaf Removal Season.

Bagged leaves should be placed in the alley behind your residence and will be removed with alley cleanup.

Please do not put rocks, dirt, cans, bottles, branches and items of this nature in the leaf piles because they may cause bodily injury and damage to machinery.
