Clean up after your pet

Did you know...

...that pet waste has bacteria that makes our lakes, rivers, and streams unsafe for swimming and other recreational activities?

So what can you do? Simple.

Whether you are in your yard or on a walk, dispose of your pet's waste promptly in the trash or toilet to prevent it from washing into our lakes, rivers, and streams.

Dog clean-up stations...

...are provided for your convenience at the following locations:

- KYAC Sport Complex
- Woodland Park
- Lawrence Park
- Drybridge Park
- Lions Park
- Thompson Park
- Meridian Rails to Trails
