

Remember, you're not just walking the dog.

Did you know...

...that pet waste has bacteria that makes our lakes, rivers, and streams unsafe for swimming and other recreational activities?

What can you do? Simple.

Whether you are in a yard or on a walk dispose of your pets waste promptly in the trash or toilet to prevent it from washing into our lakes, rivers, and streams.

Dog clean-up stations...

...are provided for your convenience at the following locations:

- Begg Park
- Depot Park
- Drybridge Park
- Eastside Park
- Heritage Park
- KYAC Sports Complex
- Spring Prairie Tree Park
- Lawrence Park
- Lions Park
- Sunset Park
- Woodland Park
- Woodland Connector Trail
