MEMORANDUM

Date: April 11, 2018

TO: Doug Russell, City Manager 
FROM: Keith Haskins, PE – City Engineer
CC: Susie Turner, PE – Public Works Director
SUBJECT: 2018 Milling and Paving Bid Award
MEETING: April 16, 2018

BACKGROUND: Public Works will be utilizing contractors to support mill and paving projects through the City, partially due to an increase in revenue from the Bridge and Road Safety and Accountability Act (BaRSAA – HB473). The 2018 Milling and Paving bid provides competitively bid contractor unit prices for milling and overlay maintenance projects.

Based on budgeted and available funds, the Public Works Department will use the contractor unit bid prices to develop and issue Work Orders for work to be completed by the selected contractor.

Bids were received and opened on April 11, 2018 at 10:00 am. Bid bonds and references were examined. Responsive Bidders were: Knife River Corporation and LHC, Inc.

To evaluate the bids, unit prices were compared using scenarios based on a potential mill and pavement project. LHC was determined to have the most cost effective bid in every scenario examined.

STAFF RECOMMENDATIONS:

Award the contract for the 2018 Milling and Paving project to LHC, Inc.

FISCAL EFFECTS:

Work orders for the 2018 Milling and Paving project are budgeted and will be funded through the following sources:

1. Special Street Maintenance Fund: “Pavement Repairs – Pavement Maintenance” line item (2500-421-430244-354).
2. BaRSAA Fund: “Pavement Maintenance” line item (2421-421-430240-354)
3. Gas Tax Fund: “Overlay and Chip Seals” line item (2420-421-430240-368)

ALTERNATIVES:

As suggested and approved by the City Council.

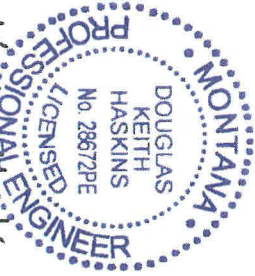

ATTACHMENTS:

1. Certified Bid Tabulation
2. Bid Evaluation based on potential project in Village Greens.

CERTIFIED BID TABULATION
2018 Milling and Paving

Line Item	Item Description	UNIT	Knife River Corporation		LHC, Inc	
			Unit Price	Extension	Unit Price	Extension
