

HELP KEEP OUR WATERS CLEAN!

DID YOU KNOW?

Yard waste left on roads gets flushed into storm drains, which drain directly into our waterways.

WHAT'S THE PROBLEM?

When lawn clippings and leaves accumulate in waterbodies, they can kill fish and other aquatic animals.

HOW CAN YOU HELP?

BAG IT!

Bag up yard waste and put it in your garbage container!

FALL CLEAN UP!

Check the City's website to find out the dates of the yearly Fall Clean-Up!

COMPOST IT!

Collect and compost yard waste in your home compost bin!

For more information, contact Kalispell Public Works Department by email at publicworks@Kalispell.com or by phone at 406-758-7720.
