"Hannah absolutely loved her camp! The coaches were outstanding and very professional. They always greeted her every day and treated her respectfully. She learned a lot in a short period of time and really gained a lot of confidence. She can be fairly shy until she is comfortable and she was not the least bit shy even by the second day, which is indicative that she really felt safe and respected and was having fun. We were very pleased with the coaches and the program!" - Debby F.
