Subject: Oct 16 Luncheon Registrations Due Friday: Airport Expansion and Kalispell Trail Plans

OCTOBER MONTHLY LUNCHEON: AIRPORT EXPANSION PLANS & TRAIL DESIGNS FOR KALISPELL'S CORE

WHEN: Tuesday, October 16
WHERE: Red Lion Hotel, Kalispell
COST: \$20 Per person

[CLICK HERE TO REGISTER](#)

There are some huge projects underway that will shape the future landscape of the Flathead Valley. For the October installment of our monthly luncheon series, Rob Ratkowski, Director of Glacier Park International Airport, will speak to the tremendous growth the airport has seen recently, provide an update on the progress of their master plan, and preview the airport's terminal expansion construction process.

Hear from Tom Jentz, Planning Director for the City of Kalispell, who will be sharing progress on the designs of the trail that will soon replace the railroad tracks that currently run through the center of Kalispell. Hear how the community has been involved in the process, how different sections of the trail will be unique, and how new development opportunities will open up as soon as the tracks are gone.

Please reserve your seat by Friday, October 12 at 5:00pm. Tickets are \$20 per person and include lunch. Anyone not interested in eating lunch may attend and view the program from the back of the room at no cost.
