

Future Plans for Kalispell

Wednesday, July 10
8:00 - 9:00am
Kalispell Chamber of Commerce
15 Depot Park, Kalispell

We've recovered from hosting the Montana Young Professionals Summit and are back with our monthly Espresso Yourself series!

Did you know there are big plans in the works for Kalispell, like removing the railroad tracks, adding a linear park and path, updates to nearby parks, and increased development opportunities downtown (can anyone see breweries, restaurants, and small retailers...)?

Kyle Waterman, Kalispell City Council Member, will come to discuss current issues in front of the Kalispell City Council. At the forefront of the conversation will be this CORE-area redevelopment and where we are in the process of finishing the plan, how to add your public comment, and future opportunities.

He will also discuss how this development will intersect with Downtown and the development of a pedestrian and bike path to connect different areas of town and the valley. The trail is currently underway with designs and concepts - be one of the first to see renderings and add your feedback!

This event is free for all active FAYP members. Not sure if you're a member? Just ask! We're available through direct messaging here or at fayp@kalispellchamber.com

For more information about Flathead Area Young Professionals, the high-performing development group for professionals aged 21-39, visit www.kalispellchamber.com/fayp
